

3. Under the terms of the Consents, Defendants, *inter alia*: (a) acknowledge having been served with process; (b) acknowledge having made a general appearance; (c) admit the Court's jurisdiction over each of them and over the subject matter of this action; and (d) consent to the entry of the Final Judgments.

4. The Final Judgments dispose of all issues in the Commission's case against the Defendants. However, as set forth in the Final Judgments, this Court shall retain jurisdiction of this matter for the purposes of enforcing the terms in the Final Judgments.

For all of these reasons, the Court should grant this Motion and enter Final Judgments against Defendants in the form agreed by the parties.
